STEPHENE DAVE DORADO

Software Developer

Banga, South Cotabato, Philippines • dstephene14@gmail.com • +639108250813 • [LinkedIn](#)

PROFILE SUMMARY

A software developer with hands-on experience in web development, passionate about creating innovative and user-friendly web applications while continuously expanding my skills and knowledge in the ever-evolving world of software development. With a solid foundation in full-stack development, I am dedicated to actively contributing to the achievements of innovative and forward-thinking teams.

PROFESSIONAL EXPERIENCE

.NET FULLSTACK DEVELOPER
CADJPro | www.cadjpro.com
August 2023 – March 2024

- Implemented backend CRUD features using .NET framework, integrating Domain-Driven Design (DDD) architecture and Test-Driven Development (TDD) for robust and scalable solutions.
- Applied user-friendly and responsive User-Interface using MudBlazor.
- Write unit tests and integration tests for the domain service layer and endpoints to ensure correct functionality.
- Performed manual testing to identify feature issues, bugs, and validate the software's overall functionality.
- Practiced Git for version control, facilitate code reviews, and fostering collaboration within the team.
- Participated in daily scrum meetings to provide updates on task progress and discuss any impediments.

SOFTWARE DEVELOPER INTERN
RAPIDSIGNAL ELECTRONICS, San Isidro, General Santos City, Philippines
March 2023 - June 2023
